**Re: Teligent Services, Inc., Notification of Consummation of Authorized Transfer
of Control Under Section 214 of the Act
File No: ITC-T/C-20020502-00230 (International Section 214)
WC Docket No. 02-103 (Domestic Section 214)**

Dear Ms. Dortch:

Teligent Services, Inc., ("Teligent") pursuant to Section 63.24(e)(4) of the Commission's rules, hereby notifies the Commission that the authorized transfer of control of Teligent's domestic and international Section 214 Authority described to the Commission in applications filed in the above-referenced proceedings was consummated on September 12, 2002.

As the Commission is aware, Teligent Services, Inc., and its parent company Teligent, Inc., had been operating under Chapter 11 Bankruptcy protection since May 21, 2001. During that time, Teligent was able to develop a Plan of Reorganization to emerge from Chapter 11. Teligent's Plan of Reorganization involved a change in control of Teligent, Inc., under the Commission's rules, thus necessitating the above-referenced applications.

Pursuant to the Bankruptcy Court's Order Confirming Debtor's Third Amended Joint Plan of Reorganization Under Chapter 11 of The Bankruptcy Code, Case No. 01-12974 (SMB) Jointly Administered, dated September 6, 2002, (hereafter "Confirmation Order") and the consents of the FCC:

- (1) Granted on September 9, 2002, in AA File No. 0000948563; 0000948603 and 0000948657; Public Notice, Report Number: 1284, dated September 11, 2002, (Teligent's wireless licenses);
- (2) Granted May 31, 2002, in ITC-T/C-20020502-00230; Public Notice, Report No. TEL-00538, DA No. 02-1324 dated June 16, 2002 (International 214); and

(3) Granted June 28, 2002, in WC Docket No. 02-103; Public Notice, DA 02-1530 released June 28, 2002, (Domestic 214);

Teligent's Plan of Reorganization was consummated on September 12, 2002, at which time Teligent emerged from Chapter 11 and ultimate control of the Section 214 authority held by Teligent Services, Inc., was transferred from Teligent, Inc., (debtor-in-possession) to an emerged Teligent, Inc.
